Charter Preparation Tips

It is essential that you take your original skippers license or certificate with you in the event that the Port Authorities ask you to present it to them. If you do not have an official sailing license, by law the team at base will not be able to allow you to charter without an officially certified skipper onboard.

What if I do not have a license?

If you do not hold a recognized sailing license, we will assist you in finding an accredited program. In Croatia, SunSail Agana RYA Sailing School runs RYA Day Skipper and RYA Competent Crew courses. Completion of the RYA Day Skipper Course will also guarantee you the ICC on application without any further courses or exams.
